

EXCEL 2010

Enabling Macros

1.

The screenshot displays the Microsoft Excel 2010 interface. The title bar reads "ULTRAdesigner [Last saved by user] [Compatibility Mode] - Microsoft Excel". The ribbon at the top includes the "File" tab, which is highlighted with a red box. The left-hand navigation pane shows the "Info" tab selected, with the "Options" button also highlighted by a red box. The main area displays "Information about ULTRAdesigner" for the file "C:\Users\kevinh\Desktop\ULTRAdesigner.xls". A "Compatibility Mode" warning is present, stating that some new features are disabled to prevent problems with previous versions of Office. A "Convert" button is visible next to the warning. On the right side, the "Properties" pane is open, showing details such as file size (37.9MB), creation date (11/03/1997 10:36 AM), and author (Ultrafloor Technical Department).
